HIGHER STUDIES AFTER B A/B Com.

Completing graduation is considered to be one of the biggest landmarks in the academic career of any student. Making an intelligent career choice after graduation is very important because that is what is going to determine the future course of academic as well as professional career. BA graduates have several innovative career choices that are not only interesting academically but also offer excellent job opportunities. Master of Arts is probably the most obvious and preferred option for graduates after completing their Bachelor of Arts programme. MA programmes are also ideal for students who want to continue their further studies by the means of M.Phil and doctorate programmes. MA programmes are also ideal for students who are planning to take up teaching as a profession. BA graduates can also pursue M.Com, MBA, B.Ed, LLB, Journalism, Fashion and Interior Designing, Animation, etc

B.Com is an excellent undergraduate degree course that helps in find lucrative professions in Banking, Finance, Stock Markets, Insurance, Capital Markets, Financial Planning, Equity Research, Accounting, etc. After B.Com, students can pursue various post graduate courses to widen the career opportunities such as M.Com, MBA, Master of Finance, Masters in Applied Economics, Masters in Accountancy in addition to professional courses like Chartered Accountancy, Certified Management Accountancy and Company Secretary.
