Information Corner

September 5th and October 5th

India celebrates Teachers' Day on September 5 each year to honor the birth anniversary of Dr. Sarvepalli Radhakrishnan, the country's second President and a revered philosopher and educationist. Teachers' Day 2025 highlights the enduring legacy of Dr. Radhakrishnan, who believed that educators are the true nation-builders. The day serves as a tribute to the pivotal role teachers play in shaping young minds, instilling values, and guiding future generations. Learn about the history, significance, and traditions associated with this special occasion.

World Teachers' Day is held annually on 5 October to celebrate all teachers around the globe. It commemorates the anniversary of the adoption of the 1966 ILO/UNESCO Recommendation concerning the Status of Teachers, which sets benchmarks regarding the rights and responsibilities of teachers, and standards for their initial preparation and further education, recruitment, employment, and teaching and learning conditions. World Teachers' Day has been celebrated since 1994. World Teachers' Day is co-convened in partnership with the International Labour Organization (ILO), UNICEF and Education International (EI).

University Employment Information & Guidance Bureau

About

The University Employment Information and Guidance Bureau attached with Cochin University of Science and Technology came into existence on 10.01.1973. This is the joint venture of the University and National Employment Service (Kerala) Department. Bureau is situated at Common Facility Centre in the main campus of CUSAT. It has two class rooms and a career library having more than thousand career related reference books. Over these years the bureau has made a mark for itself in organizing a range of programmes aimed at developing individual competencies in self-knowledge, educational and occupational exploration and career planning. The bureau has been fairly successful in disseminating Occupational and Vocational Information to the student community both within the CUSAT campus and outside

Major Activities and Services

| Coaching classes | Career Guidance | Library |

- Provide career guidance (both individual and in groups) and is to disseminate occupation to the student community, so as to enable them to qualify/seek the job they aspire.
- Conducting coaching class (Offline & Online) of various competitive examinations like UGC-NET/JRF, PSC General topics and Special.
- The Bureau provides Career Guidance Talks to schools and colleges regularly.
- The Bureau has an occupational information room where English and Malayalam dailies, periodicals with up-to-date information of various competitive examinations are displayed.
- The library is updated with guides for competitive examinations.
- Bureau is subscribing useful magazines and Periodicals.

Services offered are absolutely free of cost except coaching classes.(conduct both free and paid)

| Model Career Centre |

A Model Career Centre (MCC) is an initiative established under the National Career Service (NCS) by the Government of India.

MCCs serve as a bridge between employers and job seekers.
